14 – 17 October 2010: 6TH ANNUAL MIELIEFEES

Yearly we celebrate our birthday in October, called it the Mieliefees. For a few years we did Sodwana, but last year tried Coco Rico Ponta do Ouro for the event, WOW, a success story, hence the reason why all our other Ponta trips have been moved to this venue.

On this weekend, diving, competitions, demo equipment, treasure hunts, fancy dress evenings, games and more keep us busy.

If you joined us last year, and wish to do so again this year, PLEASE contact the shop ASAP at (018) 462 6242 to secure your old house/room.

If you wish to join us this year for the first time, please contact the shop so we can discuss your needs.

NEW PRODUCTS

As you should know, I love bringing new products into the shop on a regular basis, some stay part of our range for long, some disappear over time, and others disappear quickly 😊

We currently have two new products in the shop, both which I am sure will be part of the shop for a long time to come, one for the male population, the other for the ladies (but ultimately for the men 😊)

C-TEK BATTERY CHARGERS

The C-Tek battery chargers, are not just known to be the best chargers on the market today, but are also known to be the ONLY charger to actually clean and re-condition your battery at the same time. SO, for a longer battery life and more, get a C-Tek, or phone Mielie for more info

SCRUB & BODY CREAM

We have been selling scrub on and off for a while, but due to popular demand and request, we now have several body scrubs and matching body creams for sale, do yourself a favour and come and experience it!
